

# About our Club

Old Dominion Poultry Association is a not for profit club. Our goal is to promote all breeds of exhibition poultry to the Standard of Perfection as published by the American Poultry Association: and the American Bantam Association. To promote, encourage and renew interest in raising, showing and selling of pure bred poultry through education, mentorship and opportunities for exhibition. To provide a friendly atmosphere for adult and youth members to work together and to encourage one another. To sponsor district, state and special learning exhibitions, shows and other venues to forward the purposes of ODP.

For our club to be successful in providing these opportunities we rely on Sponsorships, donations and fundraising. We hope we can count on your support. Our membership thanks you and the board of ODP thanks you.
