

Sponsorship Opportunity

Old Dominion Poultry Association is a not-for-profit club. Our goal is to promote all breeds of exhibition poultry to the Standard of Perfection as published by the American Poultry Association: and the American Bantam Association. To promote, encourage and renew interest in breeding and showing pure bred poultry through education, mentorship, and opportunities for exhibition. To provide a friendly atmosphere for adult and youth members to work together and to encourage one another. To sponsor district, state, and special learning exhibitions, shows and other venues to forward the purposes of ODP. For our club to be successful in providing these opportunities we rely on Sponsorships, donations, and fundraising. We hope we can count on your support.
